Dear Bob,

Thank you for recommending Archway Academy as a grant recipient to the Kiwanis Foundation of Houston. The Foundation's \$6,000.00 gift will help cover the costs of operating our school and provide financial assistance for students with a demonstrated need.

As you are aware, our partnership with Southwest Schools permits Archway to provide a special environment which supports both the academic and recovery efforts of addicted adolescents. Through their funding, Kiwanis Foundation of Houston has become part of a caring community, on campus and off, that makes this school distinct from any other.

On behalf of the many teens and families whose lives are affected by the Archway program, we deeply appreciate your friendship.

Thank you,

Greg Hambrick, President
2008 Board of Directors

Jim Williams
Executive Director
